The Down Syndrome Partnership of North Texas (DSPNT) was founded in 1992 with one goal in mind – to support individuals with Down syndrome and their families through education, outreach, services, and support. Serving over 2,000 individuals every year, our mission remains focused on creating programs and services that enhance the lives of people with Down syndrome and help families advocate for inclusion in our community.

Since our inaugural event in 2023, we've successfully raised over \$250,000. These funds have been instrumental in expanding DSPNT's programs, particularly our Parent's First Call initiative, which plays a crucial role in offering new parents of children with Down syndrome a supportive and empowering introduction to the capabilities and possibilities of individuals with Down syndrome.

As a sponsor, you'll not only gain exposure for your company or product but also contribute to the empowerment of the Down syndrome community. Our objective is to gather 350 attendees for an upscale, ladies-only affair featuring a delightful brunch, exciting bingo with fabulous prizes, and an enticing silent auction..

### 10AM - VIP Bubble Hour and Silent Auction
