Our Special Heroes Golf Benefit

29 years later, and our golf benefit is still going strong and supporting the Down syndrome community.

Money raised at the Our Special Heroes Golf Benefit directly supports programs that encourage health, wellness and inclusion including iCan Shine Bike Camp and Buddy Up Tennis. All of these programs use trained volunteers and specially modified equipment that help individuals with Down syndrome gain new fitness skills, independence and confidence, and create opportunities for inclusion with their family and peers. During our tournament you will get to meet some of our special heroes and hear what DSPNT means to them.

Our mission is to provide support to individuals with Down syndrome and their families through awareness and engagement, advocacy and outreach, education, and the exchange of ideas and experiences.
